President of Operations, Blossm **Sept 2009 – Aug 2015**

Full P&L Oversight & Strategic Scaling

- Architected and executed a multi-year operational roadmap that scaled the facility from startup to \$6m in annual revenue, maintaining a healthy 18% EBITDA margin.
- Owned full P&L responsibility for a \$4m budget, consistently delivering 8% year-over-year operational cost savings through lean manufacturing and strategic procurement.
- Pivoted organizational strategy during category contraction, diversifying product lines and supply chain channels to protect revenue and ensure 100% business continuity.

Organizational Design & Leadership

- Transformed a startup team into a mature workforce of 13 employees, establishing a high-performance culture with a focus on mission coupled with integrity.
- Bridged the gap between Engineering, Marketing and Sales departments, creating a feedback loop that reduced time-to-market for new dairy product launches.
- Cultivated a "safety-first" operational culture, achieving multi-years without a recordable incident while simultaneously increasing production speed by 300%.

Supply Chain & Regulatory Stewardship

- Built a resilient supply chain from scratch, establishing strategic partnerships with regional dairy producers and logistics providers to ensure a 100% raw material fill rate.

- Spearheaded the attainment of top-tier industry certifications of Grade A and all natural, positioning the company as a preferred supplier for Tier-1 national retailers both traditional and all natural categories.
- Digitized the entire operational stack, implementing an Enterprise Resource Planning (ERP) system that provided real-time visibility into inventory, production, and shipping.

VP Marketing, Blossm

Sept 2008 – Aug 2009

Revenue Growth & Market Expansion

- Engineered a go-to-market (GTM) strategy for a new aerosol dairy product line, ramped up first-year revenue and secured distribution in 19 local retail chains.
- Expanded market share by identifying and penetrating underserved product channels by flavor segmentation and usage pairings.
- Captured new enterprise business by personally negotiating high-value strategic partnerships with regional and national distributors.

Sales Strategy & Team Leadership

- Increasing year-over-year sales volume through the implementation of a new CRM-driven sales process and rigorous performance metrics that set standards for team.
- Optimized pricing architectures and trade spend strategies, resulting in a 7% improvement in gross margin across 7 product SKUs.
- Reduced customer acquisition costs (CAC) by 45% while increasing lifetime value (LTV) through an integrated account-based marketing (ABM) approach targeting top-tier accounts.

Brand Management & Digital Presence

- Spearheaded a comprehensive brand refresh that increased brand awareness by 30%, leveraging digital marketing and industry event presence to establish the product as premium offering with unique usage with pass through value.
- Managed and coached creative team with agency support.
- Launched a multi-channel campaign that drove a 1500% increase in inbound B2B leads and a 250% boost in organic website traffic.
- Developed custom vendor marketing trade programs for key retail partners, improving in-store velocity and strengthening long-term trade relationships.

Facilities Engineering Manager, Blossm

Aug 2007-Sept 2008

Design & Construction (The "Build" Phase)

- Spearheaded the end-to-end design and construction of an 8500sq ft specialized dairy processing facility.
- Orchestrated the selection and installation of critical dairy systems, including pasteurizers, separators, fillers, labelers, boiler and Clean-in-Place (CIP) automation, ensuring 100% compliance with HACCP and OSHA regulations.
- Engineered a facility layout that optimized workflow, reducing raw material supply time and reduced warehousing/distribution costs.

Operations & Maintenance (The "Maintain" Phase)

- Implemented a comprehensive Preventative Maintenance (PM) program that reduced unplanned machinery downtime.
- Directed a multi-disciplinary technical team of 4 technicians, fostering a culture of safety that resulted in zero lost-time accidents over 97 months.
- Modernized plant automation systems that increased production and reduced costs by 20%.

Compliance & Quality (Ongoing)

- Standardized maintenance protocols to meet strict GMP (Good Manufacturing Practices), successfully passing third-party food safety audits with a score of 98% or better.
- Negotiated and managed service contracts with 9 external vendors for JIT production and standardization and consistent quality.

Account Representative, CMS Wholesale Mortgage

Jun 2002 – Aug 2007

- Recruited to launch and grow CMS's presence in Southern California and Utah markets, building the regional business with full autonomy over marketing, sales, and distribution strategy.
- Utilized cost effective channels for distribution and sales lead generation.
- Grew regional revenue 2.5x through development of new broker partnerships, marketing programs, and a structured consultative sale process

- Built a loan pipeline exceeding \$20M per month selling Goldman Sachs-backed mortgage products targeting luxury properties valued at \$2M+
