

MICHAEL MARKLEY

Sedalia, CO

Email: michaelmarkley1@email.com **Phone:** 720-545-3639

PROFESSIONAL SUMMARY

Results-driven business leader with 20+ years of experience across brand development, sales strategy, project management, and financial analysis. Built a consumer-packaged goods company from the ground up — including constructing an FDA-compliant manufacturing facility — and scaled a wholesale mortgage territory to a \$20M/month pipeline. Combines entrepreneurial grit with analytical thinking; actively developing skills in AI, Python, and machine learning to drive data-informed business decisions.

SKILLS & TOOLS

Technical: TensorFlow, Machine Learning, HTML, Adobe Creative Suite, Google Analytics, HubSpot (CRM & Marketing), Canva, social media advertising (Meta, Google Ads), Claude, AI prompt engineering

Marketing: Brand development, integrated marketing, campaign management, CPG, franchise marketing, go-to-market strategy, digital content strategy, email marketing, retail sell-through programs

PROFESSIONAL EXPERIENCE

Independent Consultant & Investment Manager

May 2020 – Present

- Managed diversified investment portfolio achieving approximately 4x growth over five years through data-driven asset allocation and market analysis
- Completed seven verified Coursera certifications in Python, Machine Learning, and TensorFlow (University of Michigan, Stanford) to build applied analytics capabilities
- Provided consulting on brand strategy and go-to-market planning for early-stage consumer products

Real Estate Agent — Coldwell Banker

August 2015 – May 2020

- Managed end-to-end real estate transactions as the single point of accountability, coordinating buyers, sellers, lenders, inspectors, title companies, and attorneys from contract to closing
- Consulted clients through complex financial decisions including mortgage structuring, property valuation, and investment analysis
- Built and executed marketing campaigns for property listings, including photography direction, video production, and digital and print collateral
- Conducted needs assessments and developed customized acquisition strategies aligned to client timelines, budgets, and goals
- Interpreted and negotiated legal contracts, ensuring compliance with Fair Housing regulations and local real estate law
- Generated new business through targeted outreach, referral cultivation, and community networking

Founder & Brand Manager — Blossm / TEP, Inc.

August 2007 – May 2015

- Founded a consumer-packaged goods company producing aerosol flavored whipped cream, managing all aspects of operations from concept to commercialization
- Designed and built an FDA-compliant dairy manufacturing facility from the ground up, personally directing construction, machinery installation, plumbing, and electrical systems
- Established full supply chain operations including raw material sourcing, vendor negotiations, procurement, and production scheduling
- Developed brand identity, packaging, and go-to-market strategy in partnership with an advertising agency, driving product from concept to retail-ready
- Built end-to-end sales and distribution channel including pricing strategy, retail placement, and promotional campaigns

- Hired, managed, and led a team of 5 employees across production, assembly, and operations

Account Representative — CMS Wholesale Mortgage

June 2002 – August 2007

- Recruited to launch and grow CMS's presence in Southern California and Utah markets, building the regional business from scratch with full autonomy over brand, sales, and distribution strategy
- Grew regional revenue 2.5x through development of new broker partnerships, marketing programs, and a structured consultative sales process
- Built a loan pipeline exceeding \$20M per month selling Goldman Sachs-backed mortgage products targeting luxury properties valued at \$2M+
- Developed marketing materials, sales tools, and a repeatable sales process adopted across the broader team
- Served as primary consultant to retail mortgage brokers, guiding them through complex underwriting requirements and helping them close high-value transactions
