Data Analytics · Marketing Management · Project Management

PROFESSIONAL SUMMARY

Versatile business operator with a foundation in data science — combining verified Python and machine learning credentials with extensive real-world experience in brand building, territory development, operations management, and stakeholder communication. Proven ability to translate complex data into actionable decisions across consumer packaged goods, financial services, and real estate. Currently targeting roles in data analytics, marketing management, and project management where analytical rigor and business judgment work together.

SKILLS

Data & Analytics: Python, SQL, Tableau, Excel (advanced), data visualization, statistical analysis

Technical: TensorFlow, Machine Learning, HTML, Adobe Creative Suite CS5, OpenClaw, Claude

Marketing: Brand development, integrated marketing, campaign management, CPG, franchise marketing

Business: Project leadership, process improvement, territory development, stakeholder communication

Compliance: Fair Housing Regulations, GMP awareness

Community: Rotary International (Membership Chair, 2 yrs), Junior Achievement

PROFESSIONAL EXPERIENCE

Independent Investment Manager — Personal / Family Portfolio

2020 – Present

- ▶ Actively managed a diversified family investment portfolio, achieving approximately 4x growth over five years through strategic asset allocation and ongoing market analysis
- ▶ Pursued continuing education in AI, Python, data analysis, and machine learning to expand analytical capabilities and prepare for data-driven roles
- ▶ Oversee operations and maintenance of a 5-acre residential property including vendor management, capital budgeting, and long-term planning

Real Estate Agent | Coldwell Banker Residential Real Estate

2015 – 2019

- ▶ Managed residential real estate transactions across the Denver metro market, maintaining compliance with Fair Housing Regulations throughout.
- ▶ Analyzed market data, comparable sales, and pricing trends to advise clients and inform negotiation strategies.
- ▶ Built and maintained a client pipeline through referral networks, community engagement, and consistent follow-up systems.
- ▶ Coordinated complex multi-party transactions across buyers, sellers, lenders, inspectors, and title companies.

Founder & Brand Manager | TEP, Inc. — Blossm Uniquely Flavored Whipped Cream

2007 – 2015

- ▶ Founded and launched Blossm, a consumer aerosol whipped cream CPG brand, from concept through product development, manufacturing partnerships, and retail distribution.
- ▶ Built and maintained all sales tracking, inventory flow, and campaign performance reporting frameworks — translating raw data into operational decisions without dedicated analytics support.
- ▶ Developed brand identity, packaging, and marketing collateral; managed vendor relationships across aerosol manufacturing and fulfillment supply chain.

- ▶ Directed all integrated marketing activities including digital, social, retail, and event channels; evaluated ROI and reallocated resources based on performance data.
- ▶ Presented business performance and strategy updates to stakeholders and partners in clear, non-technical language.

Account Representative — Wholesale Mortgage | CMS Wholesale Mortgage 2002 – 2007

- ▶ Developed and managed wholesale mortgage territories across the Denver region, building relationships with mortgage brokers, banks, and lending partners.
- ▶ Tracked pipeline performance, conversion rates, and territory metrics to identify growth opportunities and reallocate effort toward highest-return channels.
- ▶ Analyzed market conditions and product offerings to position CMS competitively against other wholesale lenders.
- ▶ Communicated complex loan structures and product details clearly to broker partners with varying levels of financial sophistication.

Marketing Manager | Accent Windows — Denver Franchise Jun 1997 – Late 1998

- ▶ Led franchise marketing efforts for Accent Windows' Denver location, managing brand standards, local campaigns, and customer acquisition programs.
- ▶ Developed and executed marketing initiatives across print, direct mail, and local media channels within franchise brand guidelines.
- ▶ First dedicated marketing role — built foundational skills in campaign management, brand governance, and performance tracking.

Restaurant Manager | Various Establishments Early Career — 3–4 Years

- ▶ Managed full restaurant operations including staff scheduling, labor budgets, inventory, vendor relationships, and customer experience in high-volume, fast-paced environments.
- ▶ Led teams of 10–20+ staff members across front-of-house and back-of-house operations; responsible for hiring, training, and performance management.
- ▶ Developed early leadership skills in accountability, decision-making under pressure, and managing high-turnover teams.
